Dear Minister 

I refer to your letter of 24 February 2009, to the Minister for Transport, the Hon Patrick Conlon MP, regarding Black Spot Program funding for South Australia under the Nation Building packages and seeking agreement to the conditions outlined in your letter. As this matter falls within my portfolio responsibilities, your letter was forwarded to me for a response.

I am pleased to advise that South Australia's Nation Building Black Spot projects were submitted to the Commonwealth Government on 26 February 2009.

The project nominations include both State and local government nominations and were assessed and approved by the South Australian Black Spot Consultative Panel which is chaired by Mr Steve Georganas MP.

I provide my agreement to the conditions outlined in your letter regarding funding and expenditure, status reporting and recognition and signage requests for the projects.

I look forward to your approval of the nominations and working with you on implementing these important road safety projects under the Black Spot Program.

Yours sincerely

Hon Tom Koutsantonis MP
Minister for Road Safety
