The Hon Craig Wallace MP
Minister for Main Roads
PO Box 15031
CITY EAST QLD 4002

Dear Minister *Craig,*

I am pleased to advise that I have approved \$6,400,000 of (capped) funding to Queensland, split \$3,400,000 in 2008-09 and \$3,000,000 in 2009-10, for rest areas under the Australian Government's Heavy Vehicle Safety and Productivity Program (HVSPP). I have also approved the requested tender exemption for the proposed works. Copies of the Project Approval and Tender Exemption instruments are attached for your information.

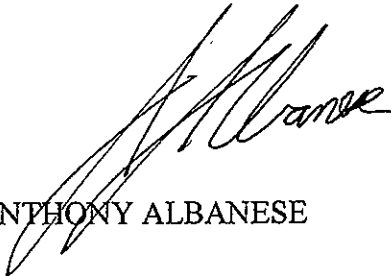

Your Department is required to report to my Department on progress and costs against individual projects, including information on the number of direct and indirect jobs, which have been created by the Project. My Department will contact your Department on timing of payments and how progress is to be monitored. If savings should occur, the savings or any interest earned from Australian Government funds held by Queensland may be expended on other projects within the HVSPP, subject to the agreement of the Australian Government.

Under the *Environment Protection and Biodiversity Conservation Act 1999*, the Queensland Department of Main Roads is required to liaise with relevant environmental agencies to identify environmental and/or heritage issues that need to be addressed. Any matters of national environmental or heritage significance must be referred to the Hon Peter Garrett AM MP, Minister for the Environment, Heritage and the Arts.

I expect the Government to invite further submissions later this year for the second round of \$40 million available under the HVSP for 2010-11 and 2011-12.

I look forward to working with you on this program.

Yours sincerely
