9. The Minister for Climate Change and Water or the Minister’s delegate is authorised to certify that payments may be made to the States and Territories on the achievement of performance benchmarks specified in Implementation Plans.

10. The relevant State or Territory Minister for Water or the Minister’s delegate is authorised to agree to Implementation Plans on behalf of their State or Territory. Each Minister may delegate the authority to agree to amendments to an Implementation Plan.

PART 2 – OBJECTIVES, OUTCOMES AND OUTPUTS

Objectives

11. In entering this Agreement, the Parties recognise that their mutual interest under the Water for the Future initiative to secure water supplies and to assist with climate change adaptation through:

   (a) taking action on climate change:-

PART 4 – PERFORMANCE BENCHMARKS AND REPORTING

19. The Parties agree to meet the key Reporting Requirements and performance benchmarks, indicators and milestones for Projects specified in the Implementation Plans.

PART 5 – FINANCIAL ARRANGEMENTS

22. The Commonwealth will make a financial contribution to the estimated cost of the projects specified in Implementation Plans attached as schedules to this Agreement. The Commonwealth’s funding contribution will not be reduced where the States and Territories secure funding from other activity partners through innovative and collaborative partnerships.

23. Having regard to the estimated costs of projects specified in an Implementation Plan, a State or Territory will not be required to pay a refund to the Commonwealth if the actual cost of the project is less than the agreed estimated cost of the project. 28. If a dispute is then not able to be resolved by the relevant Ministers, it may be referred by a Party to the Council of Australian Governments for consideration.
