PROJECT AGREEMENT FOR VACCINE PREVENTABLE DISEASES SURVEILLANCE PROGRAM

An agreement between

- the Commonwealth of Australia and
- the States and Territories, being:
  - New South Wales
  - Victoria
  - Queensland
  - Western Australia
  - South Australia
  - Tasmania
  - the Australian Capital Territory
  - the Northern Territory

The output of this project will be surveillance reporting of nationally notifiable vaccine preventable diseases, as outlined in the National Health Security Agreement’s National Notifiable Disease List and covered by the National Immunisation Program.
Project Agreement for Vaccine Preventable Diseases Surveillance Program

INTERGOVERNMENTAL AGREEMENT ON FEDERAL FINANCIAL RELATIONS

PRELIMINARIES

1. This Project Agreement (the Agreement) is created subject to the provisions of the Intergovernmental Agreement on Federal Financial Relations and should be read in conjunction with that Agreement and its Schedules, which provide information in relation to performance reporting and payment arrangements under the Intergovernmental Agreement on Federal Financial Relations.

2. This Agreement will support the delivery of surveillance reporting of nationally notifiable vaccine preventable diseases, as outlined in the National Health Security Agreement’s National Notifiable Disease List and covered by the National Immunisation Program.

3. This Agreement constitutes the entire agreement for this project.

PART 1 — FORMALITIES

Parties to this Agreement

4. This Agreement is between the Commonwealth of Australia (the Commonwealth) and the States and Territories (the States).

Term of the Agreement

5. This Agreement will commence as soon as the Commonwealth and one other Party signs the Agreement and will expire on 30 June 2017 or on completion of the project, including acceptance of final performance reporting and processing of final payments against milestones, unless terminated earlier or extended as agreed in writing by the Parties.

PART 2 — PROJECT OUTPUT

Output

6. The output of this Agreement will be reporting of surveillance data on nationally notifiable vaccine preventable diseases to agreed standards.
PART 3 – ROLES AND RESPONSIBILITIES OF EACH PARTY

Role of the Commonwealth

7. The Commonwealth will be responsible for:

   (a) monitoring and assessing achievement against milestones in the delivery of the Vaccine Preventable Diseases Surveillance Program under this Agreement to ensure that outputs are delivered within the agreed timeframe; and

   (b) providing a consequent financial contribution to the States to support the implementation of this Agreement.

   (c) Maintaining a national surveillance database and producing regular reporting of national surveillance data on vaccine preventable diseases.

Role of the States and Territories

8. The States will be responsible for:

   (a) delivering on the project outputs set out in this Agreement;

   (b) reporting on the delivery of outputs as set out in Part 4 – Project Milestones, Reporting and Payments;

   (c) providing the Commonwealth with high quality data, in a timely manner, on nationally notifiable vaccine preventable diseases, according to the core National Notifiable Diseases Surveillance System (NNDSS) dataset field specifications, and including enhanced data as agreed by the Communicable Diseases Network Australia (CDNA);

   (d) assisting, where relevant, the Commonwealth Department of Health and Ageing, Health Emergency Management Branch in its production of annual reports on disease surveillance activity including for publication in the Department's Communicable Diseases Intelligence (CDI) journal;

   (e) working to implement decisions agreed by the National Surveillance Committee aimed at improvements to data quality, such as through consistent use of NNDSS dataset field specifications, improved reporting of Indigenous status in notifications that require follow up of individual cases and conducting data quality assurance activities; and

   (f) Northern Territory provision of secretariat services for the coordination of the Enhanced Invasive Pneumococcal Disease Surveillance Working Group (EIPDSWG). [The EIPDSWG meets quarterly and works to provide nationally consistent enhanced data on invasive pneumococcal disease (IPD) in Australia.]

Shared roles

9. The Parties will meet the requirements of Schedule E, Clause 26 of the Intergovernmental Agreement on Federal Financial Relations, by ensuring that prior agreement is reached on the nature and content of any events, announcements, promotional material or publicity relating to activities under this Agreement, and that the roles of both Parties will be acknowledged and recognised appropriately.
PART 4 — PROJECT MILESTONES, REPORTING AND PAYMENTS

10. The following table summarises the milestones for the project, their relationship to the outputs, expected completion dates, relevant reporting dates and expected payments to be made, once a report certifying that milestones have been met is received and accepted.

Reporting arrangements

11. The States will provide performance reports in accordance with the above table during the operation of the Agreement. Each performance report is to contain the following information:

(a) a description of actual performance of the States in the period to date against the project milestones as measured by the agreed indicators outlined in 11b-g;

(b) notifications of nationally notifiable vaccine preventable diseases are electronically reported to NNDSS on a daily basis;

(c) the Serogroup Subtype field is completed (where lab diagnosis method allows) for invasive meningococcal disease (IMD) for equal to or greater than 80% of notified cases;

(d) the Serogroup Subtype field is completed (where lab diagnosis method allows) for invasive pneumococcal disease (IPD) in cases younger than 5 years or older than 50 years for equal to or greater than 80% of notified cases;
(e) the genotype is recorded for at least one measles case per epidemiologically-linked measles cluster for equal to or greater than 80% of identified clusters;

(f) vaccination information is completed for children aged less than 7 years for all nationally notifiable vaccine preventable diseases that require follow up for equal to or greater than 95% of notified cases where their vaccination status is recorded on the Australian Childhood Immunisation Register (ACIR; and

(g) details of any matter(s) that have arisen which could adversely impact on the delivery of the output, and how the States propose to resolve this/these matter(s).

12. The States will also prepare a final Project Report within 90 days of the completion of the project agreed under the Project Agreement. The Project Report will be a stand-alone document that can be used for public information dissemination purposes. The final Project Report will:

(a) describe the conduct, benefits and outcomes of the Project;

(b) evaluate the Project from the responsible Party's perspective, including assessing the extent to which the project milestones have been achieved and why any aspect was not achieved;

(c) describe any risks for ongoing surveillance of vaccine preventable diseases, including suggesting solutions and recommendations to assist with the planning and development of future agreements; and

(d) include a discussion of any other matters relating to the project, limited to the minimum necessary for the effective assessment of performance as agreed between the Commonwealth and the State(s), at least 60 days before it is due.

PART 5 — FINANCIAL ARRANGEMENTS

13. The Commonwealth will provide a total financial contribution to the States of $3,284,000 in respect of this Agreement. All payments are GST exclusive.

14. The Commonwealth’s funding contribution will not be reduced where the States secure funding from other activity partners through innovative and collaborative partnerships.

15. The Commonwealth’s estimated financial contribution to the operation of this Agreement, including through National Partnership payments to the States paid in accordance with Schedule D — Payment Arrangements of the Intergovernmental Agreement on Federal Financial Relations, are shown in Table 2.

16. Having regard to the agreed estimated costs of projects specified in a Project Agreement, a State or Territory will not be required to pay a refund to the Commonwealth if the actual cost of the project is less than the agreed estimated cost of the project. Similarly, the States bear all risk should the costs of a project exceed the agreed estimated costs. The Parties acknowledge that this arrangement provides the maximum incentive for the States to deliver projects cost effectively and efficiently.

PART 6 – GOVERNANCE ARRANGEMENTS

Enforceability of the Agreement

17. The Parties do not intend any of the provisions of this Agreement to be legally enforceable. However, that does not lessen the Parties’ commitment to this Agreement.

Variation of the Agreement

18. The Agreement may be amended at any time by agreement in writing by all the Parties.

19. A Party to the Agreement may terminate their participation in the Agreement at any time by notifying all the other Parties in writing.

Delegations

20. The Commonwealth Minister may delegate the assessment of performance against milestones and the authorisation of related project payments to senior Commonwealth officials, having regard to the financial and policy risks associated with those payments.

Dispute resolution

21. Any Party may give notice to other Parties of a dispute under this Agreement.

22. Officials of relevant Parties will attempt to resolve any dispute in the first instance.

23. If a dispute cannot be resolved by officials, it may be escalated to the relevant Ministers and if necessary, the relevant Standing Council.

24. If a dispute cannot be resolved by the relevant Ministers, it may be referred by a Party to COAG for consideration.
