An agreement between

- the Commonwealth of Australia and
- the States and Territories, being:
  - New South Wales
  - Victoria
  - Queensland
  - Western Australia
  - South Australia
  - Tasmania
  - the Australian Capital Territory
  - the Northern Territory

This Agreement will facilitate access to justice for disadvantaged people in Australia through the delivery of legal assistance services.
National Partnership Agreement on Legal Assistance Services

INTERGOVERNMENTAL AGREEMENT ON FEDERAL FINANCIAL RELATIONS

PRELIMINARIES

1. This National Partnership Agreement (the Agreement) is created subject to the provisions of the Intergovernmental Agreement on Federal Financial Relations (IGA FFR) and should be read in conjunction with that Agreement and its Schedules, which provide information in relation to performance reporting and payment arrangements under the IGA FFR.

2. In entering this Agreement, the Commonwealth and the States and Territories:

   (a) recognise that they have mutual interest in working together to improve access to justice and resolve legal problems for the most disadvantaged people in Australia and maximise service delivery through the effective and efficient use of available resources; and

   (b) are committed to progressing issues that affect the legal assistance sector and support the principles of the National Strategic Framework for Legal Assistance.

3. This Agreement:

   (a) seeks to improve the targeting of legal assistance services to people facing disadvantage who have the greatest legal needs, including people experiencing, or at risk of, family violence;

   (b) supports a holistic approach to addressing legal need through collaboration with, and coordinated service delivery between, legal and non-legal sectors, including by delivering appropriate and timely services to best meet people’s legal needs;

   (c) aims to empower and build resilience within the community to resolve legal problems; and

   (d) sets out arrangements for the delivery of Commonwealth-funded legal assistance services by legal aid commissions and community legal centres.

4. This Agreement seeks to support a national legal assistance sector. While the terms of this Agreement apply only to Commonwealth funding for legal aid commissions and community legal centres, the principles set out in this Agreement are relevant for the broader sector, including Indigenous legal assistance providers and family violence prevention legal services.

5. This Agreement also provides funding for the Commonwealth’s share of the wage increases arising from Fair Work Australia’s decision on 1 February 2012 to grant an Equal Remuneration Order in the Social and Community Services (SACS) sector. The Commonwealth’s commitment includes providing funding for its share of the wage increases for in-scope programmes. This funding will contribute to assisting the SACS sector with increased wage costs arising from recent Pay Equity Orders.
PART 1 — FORMALITIES

Parties to this Agreement
6. This Agreement is between the Commonwealth of Australia (the Commonwealth) and the States and Territories (the States).

Term of this Agreement
7. This Agreement will commence as soon as the Commonwealth and one other Party sign the Agreement and will expire on 30 June 2020, or on final performance reporting against the performance benchmarks and milestones. This Agreement may be terminated earlier or extended as agreed in writing by the Parties.

PART 2 — OBJECTIVE, OUTCOMES AND OUTPUTS

Objective
8. The objective of this Agreement is a national legal assistance sector that is integrated, efficient and effective, focused on improving access to justice for disadvantaged people and maximising service delivery within available resources.

Outcomes
9. This Agreement will facilitate achievement of the following outcomes:
   (a) legal assistance services are targeted to priority clients with the greatest legal need;
   (b) legal assistance service providers collaborate with each other, governments, the private legal profession and other services, to provide joined-up services to address people’s legal and related problems;
   (c) legal assistance services are appropriate, proportionate and tailored to people’s legal needs and levels of capability;
   (d) legal assistance services help people to identify their legal problems and facilitate the resolution of those problems in a timely manner before they escalate; and
   (e) legal assistance services help empower people to understand and assert their legal rights and responsibilities and to address, or prevent, legal problems.

Outputs
10. The objective and outcomes of this Agreement will be achieved through:
    (a) the delivery of efficient and effective legal assistance services within each State;
    (b) participation by the States and the legal assistance sector in collaborative service planning, with guidance provided in Schedule A; and
    (c) provision of Commonwealth SACS supplementation to Eligible Service Providers impacted by the Pay Equity Orders.
PART 3 — ROLES AND RESPONSIBILITIES OF EACH PARTY

11. To realise the objective and outcomes of this Agreement, each Party has specific roles and responsibilities, as outlined below.

Roles of the Commonwealth

12. The Commonwealth agrees to be accountable for the following roles and responsibilities:

(a) providing a financial contribution to the States for the delivery of legal assistance services by legal aid commissions and community legal centres;

(b) monitoring and assessing performance in the delivery of legal assistance services under this Agreement to ensure that outputs are delivered and outcomes are achieved within the agreed timeframes;

(c) providing national guidance, oversight and support for collaborative service planning (Schedule A);

(d) specifying Commonwealth priorities and eligibility principles for the delivery of legal assistance services under this Agreement (Schedule B); and

(e) providing a forum to facilitate information sharing with the States regarding best practice delivery of legal assistance services.

13. Separate to this Agreement, the Commonwealth will administer the Expensive Commonwealth Criminal Cases Fund, under which legal aid commissions can apply, pursuant to guidelines, for reimbursement of legal costs incurred in expensive, complex Commonwealth criminal cases.

Roles of the States

14. The States agree to be accountable for the following roles and responsibilities:

(a) administering Commonwealth funding for the delivery of legal assistance services by legal aid commissions and community legal centres, in accordance with the Commonwealth priorities at Schedule B;

(b) in 2015-16 and 2016-17, distributing Commonwealth funding for the delivery of legal assistance services by specific community legal centres listed in Schedule C;

(c) determining the methodology for the distribution of Commonwealth funding for the delivery of legal assistance services by community legal centres (except for the funding referred to in clause 14(b)), informed by the outcomes of collaborative service planning;

(d) ensuring that the Commonwealth supplementation for the SACS sector is distributed only to Eligible Service Providers, as defined in the National Partnership Agreement on Pay Equity for the SACS sector, through a clear and fair process that is consistent with the principles of procedural fairness set out in Schedule B of the SACS National Partnership Agreement;

(e) undertaking collaborative service planning, including biannual meetings with the legal assistance sector, to improve coordination between service providers in the planning and delivery of services, with reference to the guidance at Schedule A;

(f) facilitating surveys of legal aid commission and community legal centre clients;

(g) monitoring and assessing the delivery of legal assistance services under this Agreement; and
(h) reporting to the Commonwealth on the delivery of legal assistance services under this Agreement, as set out in Part 4 – Performance Monitoring and Reporting.

**Shared roles**

15. The Parties share the following roles and responsibilities:

(a) endorsing the methodology for the distribution of Commonwealth funding in 2015-16 and 2016-17 to specific community legal centres listed in Schedule C;

(b) participating in biannual jurisdictional forums with legal assistance sector representatives, established and coordinated by States, to consider issues affecting the legal assistance sector, share best practice service delivery models and strengthen networks between service providers;

(c) agreeing the methodology for surveys of legal aid commission and community legal centre clients and a set of national survey questions\(^1\), with the States to facilitate the surveys in accordance with clause 14(f) of this Agreement;

(d) meeting biannually on a bilateral basis with the Commonwealth to discuss the operation of this Agreement; and

(e) conducting evaluations and reviews of services and outputs delivered in accordance with Part 6 of this Agreement.

16. The Parties will meet the requirements of Schedule E, clause 26 of the IGA FFR by ensuring that prior agreement is reached on the nature and content of any events, announcements, promotional material or publicity relating to activities under this Agreement, and that the roles of both Parties will be acknowledged and recognised appropriately.

**PART 4 — PERFORMANCE MONITORING AND REPORTING**

**Performance indicators**

17. Progress towards the objective and outcomes of this Agreement will be informed with reference to the following performance indicators:

(a) the proportion of representation services delivered to priority clients. For reporting purposes, the States will report on a subset of priority clients comprising: children and young people (up to 24 years); people experiencing financial disadvantage; Indigenous Australians; older people (aged over 65 years); people experiencing, or at risk of, family violence; people residing in rural or remote areas; people who are culturally and linguistically diverse; and people with a disability or mental illness;

(b) the proportion of clients receiving quality services that are delivered appropriately to match clients’ legal needs and levels of capability, as measured through client surveys;

(c) for legal aid commissions only, the number of facilitated resolution processes and the percentage of processes that result in a held conference reaching full or partial settlement of matters; and

\(^1\) The national survey questions can be incorporated into existing State surveys and/or asked in conjunction with State-specific survey questions.
(d) the number of legal assistance services delivered (comprising: information and referral; legal advice; legal task; duty lawyer services; dispute resolution; court/litigation and other representation; and community legal education), disaggregated by service type and law type.

**Performance benchmarks**

18. The Parties agree to meet the following performance benchmarks:

(a) for legal aid commissions, 95% or more of representation services are delivered to people experiencing financial disadvantage – to be achieved by each State in each six month period from 1 July 2015 onwards;

(b) for community legal centres, 85% or more of total representation services are delivered to people experiencing financial disadvantage – to be achieved by each State in aggregate across all community legal centres in each six month period between 1 July 2015 and 30 June 2017; and

(c) for community legal centres, 90% or more of total representation services are delivered to people experiencing financial disadvantage – to be achieved by each State in aggregate across all community legal centres in each six month period from 1 July 2017 onwards.

**Milestones**

19. The Parties agree to meet the following milestones:

(a) endorsement of the methodology for Commonwealth funding in 2015-16 and 2016-17 to specific community legal centres listed in Schedule C – upon signing this Agreement;

(b) report on the distribution of Commonwealth funding to community legal centres that outlines – annually from 2015-16:

   (i) the community legal centres that will receive funding in the relevant funding period;

   (ii) the State and Commonwealth funding profile for each community legal centre, separately identifying funding from a Public Purpose Fund (or equivalent), where applicable;

   (iii) the funding period (which may be longer than one year); and

   (iv) the provision of Commonwealth SACS supplementation to Eligible Service Providers impacted by the Pay Equity Orders;

(c) development of a Project Plan setting out how the collaborative service planning process will be implemented by 1 July 2016 – once in 2015-16;

(d) implementation of collaborative service planning and provision of a progress report against the Project Plan – once in 2015-16;

(e) conduct collaborative service planning – annually from 2016-17 – including:

   (i) use of quality data sources as an evidence base to identify priority client groups and their locations;

   (ii) participation in biannual collaborative service planning meetings; and

   (iii) provision of a report on key outcomes resulting from the service planning process;
(f) facilitate two surveys of legal aid commission clients and two surveys of community legal centre clients, using standardised questions developed by the Parties, to assess whether services are tailored to meet clients’ legal needs and capability levels – one survey per year from 2016-17, with a summary of survey results provided to the Commonwealth; and

(g) conduct a case study within the sector of a service being delivered in a more effective, efficient or innovative way to better meet clients’ legal needs and capability levels, and/or resolve legal problems in a timely way - one case study per year, with a summary of the case study provided to the Commonwealth, from 2016-17.

**Reporting arrangements**

20. The States will provide six-monthly reports to the Commonwealth demonstrating, in accordance with Table 1:

(a) performance against the relevant milestones for reporting periods specified in Table 1; and

(b) from the March 2016 report onwards, performance against indicators and benchmarks for the previous six month period (January to June for September report, July to December for March report).

21. When reporting on the relevant indicators and benchmarks, States will report separately on the services delivered by legal aid commissions and community legal centres. For services delivered by community legal centres, performance information is to be aggregated to the State level.

22. Table 1 summarises the performance indicators, benchmarks and milestones States are required to report for each six-month period.

**Use of Commonwealth funds**

29. Commonwealth legal aid commission funding will be used for Commonwealth law matters only, except:

   (a) where State law matters relating to the safety or welfare of a child are connected with family law proceedings;

   (b) where State law matters relating to a person’s safety are connected with family law proceedings; or

   (c) in discrete assistance or community legal education, regardless of whether the matter relates to Commonwealth or State laws.

30. The use of Commonwealth funding for the delivery of legal assistance services by legal aid commissions and community legal centres under this Agreement will be informed by outcomes of collaborative service planning and the Commonwealth priorities and eligibility principles in Schedule B.

**Payments**

31. Subject to the States meeting the requirements set out in Part 4 - Performance Monitoring and Reporting and in clauses 32 to 37 below, the Commonwealth will make six-monthly payments to the States for the delivery of legal assistance services undertaken under this Agreement. The total estimated financial contribution for each six month period would be equal to half of the Commonwealth’s estimated financial contribution to each State in the relevant financial year, and is expected to be paid in July and January for each financial year, subject to clauses 34, 36 and 37.

32. Commonwealth payments in 2015-16 for legal assistance services will be made subject to the States providing performance reports demonstrating that relevant milestones have been met, in accordance with Table 1.
33. Commonwealth payments from 2016-17 for legal assistance services delivered by legal aid commissions will be made subject to the States providing performance reports, in accordance with Table 1:

(a) demonstrating that the performance benchmark at clause 18(a) and relevant milestones have been met; and

(b) providing information against the performance indicators.

34. For the performance benchmark at clause 18(a), six-monthly payments between 2016-17 and 2019-20 will be made on a pro rata basis where the State delivers at least 90% but less than 95% of representation services to people experiencing financial disadvantage, subject to all other performance requirements for the relevant reporting period being met. For example, where the State delivers 90% of representation services to people experiencing financial disadvantage, a payment of 90% of legal aid commission funding for the relevant reporting period will be made, subject to all other performance requirements for the relevant reporting period being met. Where the State delivers 95% or more of representation services to people experiencing financial disadvantage, the full six-monthly payment will be made, subject to all other performance requirements for the relevant reporting period being met.

35. Commonwealth payments from 2016-17 for legal assistance services delivered by community legal centres (including payments for community legal services listed in Schedule C and Commonwealth SACS supplementation) will be made subject to the States providing performance reports, in accordance with Table 1:

(a) demonstrating that the relevant performance benchmarks at clause 18(b) or (c) and relevant milestones have been met; and

(b) providing information against the performance indicators.

36. For the performance benchmark at clause 18(b), six-monthly payments between 2016-17 and 2017-18 will be made in full where the State delivers 85% of representation services to people experiencing financial disadvantage in aggregate, subject to all other performance requirements for the relevant reporting period being met.

37. For the performance benchmark at clause 18(c), six-monthly payments between 2018-19 and 2019-20 will be made on a pro rata basis where the State delivers, in aggregate, at least 85% but less than 90% of representation services to people experiencing financial disadvantage, subject to all other performance requirements for the relevant reporting period being met. For example, where the State delivers 85% of representation services to people experiencing financial disadvantage, a payment of 85% of total community legal centre funding for the relevant reporting period will be made, subject to all other performance requirements for the relevant reporting period being met. Where the State delivers 90% or more of representation services to people experiencing financial disadvantage in aggregate, the full six-monthly payment will be made, subject to all other performance requirements for the relevant reporting period being met.

**Project management risk**

38. Having regard to the agreed estimated costs of delivering Commonwealth legal assistance services, a State will not be required to pay a refund to the Commonwealth if the actual cost of delivering the services is less than the agreed funding provided. Similarly, the States bear all risk should the costs of delivering legal assistance services exceed the agreed funding provided. The Parties acknowledge that this arrangement provides the maximum incentive for the States to deliver projects cost effectively and efficiently.
PART 6 — GOVERNANCE ARRANGEMENTS

Enforceability of this Agreement

39. The Parties do not intend any of the provisions of this Agreement to be legally enforceable. However, that does not lessen the Parties’ commitment to this Agreement.

Review of this Agreement

40. In accordance with clause E23 of the IGA FFR, this Agreement is time limited. To assess the degree to which the agreed objective, outcomes and outputs have been achieved, and inform decisions regarding the appropriate treatment following its expiry, a review of the Agreement will be scheduled to be completed approximately 18 months prior to its expiry.

41. In reviewing this Agreement, the Parties should consider:

(a) the States’ progress towards achieving the objective, outcomes and outputs;
(b) whether legal assistance services are effective, efficient and appropriate, including whether the services represent value for money, which will be informed by the cost of service delivery, among other things;
(c) the appropriateness of the objective, outcomes, outputs, performance indicators, performance benchmarks, milestones and reporting arrangements; and
(d) the outcomes of the Reform of the Federation White Paper.

42. Subject to the outcomes of the review, the Parties should consider if further funding beyond the term of this Agreement is required to continue the delivery of Commonwealth-funded legal assistance services. If the Parties agree that further funding beyond the expiry of this Agreement is required, they will consider this issue when framing their budgets, noting that the necessary policy and budget authority, including in relation to new policy reforms, are subject to the outcomes of budget processes at both the Commonwealth and State levels.

Variation of this Agreement

43. This Agreement may be amended at any time by agreement in writing by all the Parties.

44. A Party to this Agreement may terminate their participation in the Agreement at any time by notifying all the other Parties in writing.

Delegations

45. The Commonwealth Attorney-General is authorised to agree and amend Schedules to this Agreement on behalf of the Commonwealth and to certify that performance against the benchmarks and milestones specified under this Agreement has been achieved, so that payments may be made.

46. Respective State Ministers with portfolio responsibility for legal assistance are authorised to agree and amend Schedules to this Agreement on behalf of their State or Territory.

47. The Commonwealth Attorney-General may delegate the assessment of performance against the benchmarks and milestones and the authorisation of related payments to senior Commonwealth officials, having regard to the financial and policy risks associated with those payments.
Dispute resolution

48. Any Party may give notice to other Parties of a dispute under this Agreement.

49. Officials of relevant Parties will attempt to resolve any dispute in the first instance.

50. If a dispute cannot be resolved by officials, it may be escalated to the relevant Ministers and if necessary, the relevant Ministerial Council.

Interpretation

51. For the purposes of this Agreement:

(a) Discrete assistance means information, referral, legal advice, non-legal support and legal task.

(b) Financial disadvantage means a person who does not have the means to pay for their legal representation without incurring serious financial difficulty, including a person who:

   (i) is in receipt of Centrelink benefits as their main source of income; or

   (ii) satisfies a means test applied by a legal aid commission; or

   (iii) is exempt from the legal aid means test, such as a person seeking merits review of decisions about eligibility for Commonwealth military entitlements or military compensation payments and children; or

   (iv) has an income equal to or below the Henderson Poverty Line; or

   (v) cannot access finances temporarily due to circumstances outside of their control. For example, a person experiencing, or at risk of, family violence who cannot access finances without risk to their personal safety or the safety of others.

(c) Legal assistance sector includes community legal centres, family violence prevention legal services, Indigenous legal assistance providers and legal aid commissions.

(d) Representation services are where a legal assistance service provider has carriage of a matter in an ongoing, representative capacity and include dispute resolution, court/tribunal and other representation services. To assist with reporting purposes:

   (i) for community legal centres, until such time as a new data reporting system(s) is implemented:

       1 for clause 17(a) the Community Legal Services Information System fields ‘medium casework’ and ‘major casework’ align with this definition;

       2 for clauses 18(b) and 18(c), the Community Legal Services Information System field ‘major casework’ aligns with this definition; and

   (ii) for legal aid commissions, for clauses 17(a) and 18(a) the term ‘grant of aid’ aligns with this definition.

52. Types of legal assistance services are defined in the National Legal Assistance Data Standards Manual 2015 (version 1).
