20. Having regard to the agreed estimated cost of the Project specified in this Agreement, Queensland will not be required to pay a refund to the Commonwealth if the actual cost of the project is less than the agreed estimated cost of the Project. The Parties acknowledge that this arrangement provides the maximum incentive for Queensland to deliver the project cost effectively and efficiently.

Delegations

23. The Commonwealth Minister for Urban Infrastructure may delegate the assessment of performance against milestones and the authorisation of related project payments to senior Commonwealth officials, having regard to the financial and policy risks associated with those payments.

Dispute resolution

24. Either Party may give notice to the other Party of a dispute under this Agreement.

25. Officials of both Parties will attempt to resolve any dispute in the first instance.
