

Statement of Assurance reporting template – National Housing and Homelessness Agreement (NHHA) 2019-20

Purpose of this reporting template

This 2019-20 Statement of Assurance (SoA) reporting template contributes to achieving stated outcomes under the NHHA, including the following clauses:

- 15(f) Improved transparency and accountability in respect of housing and homelessness strategies, spending and outcomes.
- 23(b) Commonwealth monitoring and assessing performance under this Agreement to ensure that the outputs are delivered within agreed timeframes;
- 25(c) States providing evidence of the delivery of outputs as set out in Part 4 – Performance Monitoring and Reporting.

Counting rules:

Counting methodologies where applicable to be consistent with input you would provide for the *Report on Government Services* for housing expenditure and homelessness expenditure. This includes:

- Grants and subsidies are excluded from public housing and SOMIH expenditure data but are included in data for capital expenditure on social housing.
- Expenditure under the National Partnership Agreement for Remote Indigenous Housing or any subsequent remote housing agreement are included or excluded for each state as would be consistent with that state's reporting for table 18A.1 of the *Report on Government Services*.
- Expenditure for individual housing programs and initiatives are included or excluded for each state as would be consistent with that state's reporting for table 18A.1 of the *Report on Government Services*.

All social housing expenditure includes expenditure on public housing, SOMIH, community housing, Indigenous community housing, transitional housing and grants to community housing. Expenditure for SHS agencies, other homelessness services and home purchase assistance is excluded from this line.
